** A required administrative permit fee of \$200.00 must accompany each application for a permit. An additional permit fee of \$5.00 per square foot for excavation in paved surfaces and \$1.50 per square foot for excavation in unpaved surfaces will be invoiced to the Contractor when the work is complete. An additional fee of 10% of the street damage and/or infrastructure damage fee may be charged for work discovered in progress without a permit. This additional fee is subject to the discretion of the Director of Public Works or his designee.

***Commercial Sewer Permit applications begin with a submittal to Environmental Protection Division of the Highway Department.
